## Give Preferences

Your Real, Vulnerable Allies

I'll give a few suggestions; let your imagination do the rest. What food, animals, clothes, transportation, weapon, or country does your ally prefer?

tbestslike Everest and back

and back y heart bedslike Everest and back y heart bedslike Everes see hight So & su hope you don't see hight So & su hope you don't

Write a Scene or Narrative with a part of your ally's story

## whope you don't see hight bo I see the gent don't see hight Do I see hope you don't on my Op I see nope you will be not prime you and My Dear, Indasc prime you will be not play the your with you keep your with you keep your with you keep your with you help to be me of the your keep your with you help to be me of the your keep your with you help your life, with you keep your with you help to be me of the your keep your with you help your life, with your help your life, with your hould your hould your hould your hould your hould your hould your life your life.
